

California Veterinary Medical Foundation (CVMF) Disaster Reimbursement Guidelines and Application

The California Veterinary Medical Foundation (CVMF) provides reimbursement grants for out-of-pocket emergency medical care and expenses to veterinarians for animals injured or displaced by disasters. All requests must be directly related to the disaster.

The CVMF welcomes requests for reimbursements from veterinarians or veterinary hospitals for the recent wildfires. Funds will not be available to anyone who has already been reimbursed by another source. The foundation does not reimburse clients.

All reimbursement grant requests received by the CVMF are reviewed by the reimbursement committee. Due to limited funds, there may be a cap on the amount of funds distributed.

Disaster Reimbursement Criteria:

To be eligible, you must have provided veterinary medical care or boarding for animal victims of the recent wildfires.

1. Expenses Covered
 - Medical supplies (actual costs only, no mark-up) - bandages, pharmaceuticals, injections, anesthetic, etc.
 - Hospitalization - 1/2 cost
 - Boarding costs @ \$15.00/day
2. Expenses Not Covered (unless special circumstances approved by the CVMF Board)
 - Veterinarian and staff time not compensated
 - Surgery Time

Forms can be submitted by mail, fax (916.646.9156), or email staff@cvmf.net.

Grant requests must be received no later than nine (9) months following the disaster. Please direct any questions to Shanna Allen, CVMF Accounting Coordinator, sallen@cvma.net or 800.655.2862.
